

OverDrive for your Nook, Sony or Kobo

1. **Connect your eBook Reader to your computer**
 - a. Use the cable supplied with your device. If your eReader is enabled for WiFi, you can skip this step
2. **Install Adobe Digital Editions and Create a Free Adobe ID**
 - a. On your device, go to <http://www.adobe.com/solutions/ebook/digital-editions.html>
 - b. After downloading, if prompted, register for a free Adobe ID account. If you already have an Adobe ID, enter your information to authorize your computer. If you are not automatically prompted to enter your Adobe ID, Click 'Help' and 'Authorize Computer'
3. **Select and Download an eBook**
 - a. Open a web browser and go to Los Gatos Library's OverDrive eBook Page <http://losgatos.lib.overdrive.com/>
 - b. **'Search'** or **'Browse'** for a title, keyword, or author. Use the Advanced Search feature to narrow your search
 - c. Tap **'Borrow'** to proceed to checkout or **'More'** to view details about the material. If the title is currently checked out to someone else, you will see the **'Place a Hold'** button instead of **'Borrow'**
 - d. Sign in with your library card number and PIN
 - e. Your bookshelf will open, displaying titles you have borrowed. Click **'Download'** and select your preferred format
 - f. Downloaded eBooks should open in Adobe Digital Editions
 - g. To transfer an eBook to your eBook reader, make sure you're in ADE's **'Library View'** (you may need to click the **'Library'** button in the upper-left corner to get there). From there, drag and drop the eBook into your eBook reader, which should appear on the left under **'Devices'**

Once you've transferred a library eBook, you can read it on your device just like any other eBook
